

## Table of contents

<b>I. Alekseyev, I. Khoma, N. Shpak:</b> Modelling of an impact of investment maintenance on the condition of economic protectability of industrial enterprises	3
<b>V. Batluk, N. Paranyak, V. Makarchuk:</b> Mathematical model of dust cleaning process in centrifugal-inertial dust collector	9
<b>V. A. Batluk, E. V. Romantsov, V. M. Klymets':</b> The problem of highly effective cleaning of air from dust	17
<b>O. Bereka, S. Usenko:</b> Time of exposure to grain processing disinfection in strong electric fields	27
<b>B. Kovalyshyn:</b> Effect of polarization molecules reagents of the burning reaction on the efficiency of equipment for thermogeneration	31
<b>V. Savchenko, A. Sinyavsky:</b> Impact voltage deviation on the technological characteristics of crushers	37
<b>S. Shostak, N. Shkoda, S. Stetsenko:</b> Interaction free energy of small particles in an elektrolyte solution	41
<b>M. Sukach:</b> Ukraine's prospects in development of marine mineral deposits	47
<b>P. Topylko, M. Lesiv, R. Bun, Z. Nahorski, J. Horabik:</b> Geoinformation technology for spatial inventory of greenhouse gas emissions: electricity and heat generation in Poland	51
<b>A.E. Voronkova, N.G. Kalyuzhna:</b> Personal potential of manager as a prerequisite of realization of managerial potential of enterprise	59
